

BEACON Training

Physician Login Instructions

August 2009

For BEACON Phase II, all Inpatient Physicians are required to receive less than 2 hours of web-based training (WBT), which can be completed at their own pace. Inpatient Physicians can access their required WBT by going through either <http://mybaycare.org> **OR** BayCare's Physicians' Portal at <http://dr.baycare.org>.

***Important Note:** For both Web sites, you must type "bcad\" preceding your User name. (Ex: **bcad\BO12345**) For help with your User name and Password, please call the Information Services (IS) Service Desk at (727) 467-4700.

<http://mybaycare.org>

1. Go to <http://mybaycare.org>
2. Click **Online Learning Center**
3. Select **Beacon Training – TMs and Physicians: Click here to log in**
4. Type your **User name** and **Password***

<http://dr.baycare.org>

1. Go to <http://dr.baycare.org>
2. Click **SIGN IN**
3. Type your **User name** and **Password***
4. Select **My Apps** once logged in
5. Click **BEACON Training**

Once you are logged in to the BEACON Training Web site...

1. Select **Training Catalog**
2. Wait a few moments for the information to load. Then, scroll down and select **BEACON: Physicians and Providers Non-ED**
3. Click **Close Window**
4. Go to top of page and select **Active Training**
5. Click the class you selected
6. To begin, select the course and select **Click here to launch the course**
7. Follow the on-screen instructions during the WBT
